The performance of David Leonhardt and The Shelley Oliver Tap Dancers that took place in January of 2006, was one of the highlights of the season at the Historic Palace Theatre in Cape Charles. The quality of the musicians under the direction of David Leonhardt was exquisite. The vocalist, Nancy Reed gave a spectacular, moving performance. The program was enhanced with the participation of the dynamic and versatile Shelley Oliver Tap Dancers, who stole the show!

This performance has remained in the minds of many Eastern Shore residents who were totally amazed at the stellar musicianship and talent they enjoyed here in Cape Charles. Please see the attachments I have enclosed. The dancers were light-footed yet incredibly swift and their performance seemed effortless! What a pleasure it was to meet them! It is our full intention to invite these unique artists back to Arts Enter in the near future. We highly recommend them!
