August 19, 2008

Dear Shelley and David,

I am writing you a quick letter to say thanks so much for such a wonderful week at Shore Dance 2008 here at Algonquin Arts. The kids were thrilled with the outcome and I know they went away from the experience better tap dancers and musicians. I am always proud when a program of ours succeeds as well as this one did.

Your patience and kind instruction with the kids was incredible and the talents that you shared with the kids are immeasurable. You are both truly a class act. The showcase on Friday was a great success and the parents were all thrilled.

Apparently, your show on Saturday was "one of the best shows ever at Algonquin Arts" according to one phone message that I got from a patron. And, of course, the review from The Star Ledger was stellar. I only wish I could have been there to see it myself. I have heard nothing but raves since I got back in the office yesterday.

Again, thanks again for such a great week. Please share my thanks with all of your fantastic instructors and fellow cast members. We look forward to having you back at Algonquin Arts in the very near future. Stay in touch and let me know where you're performing.

Sincerely,

Bill Whitefield  
Director of Arts Education  
Algonquin Arts Theatre
