Hi Shelley

Thank you for doing such a wonderful job with all of the outreach activities and with the concert! Everyone I talked to enjoyed the concert! Even the sound people told me that they do sound for many well known groups at the Smith Opera House, and they often have trouble because of the quality of the group. They told me that you made it easy for them because you were such top notch performers.....I often wish I had a tape recorder on to record all the positive reactions I witness. I believe that we had close to 580 people at the concert. I will make a copy of the newspaper article and send it to you.

I have a final report to mail in to PenPat in the next couple of weeks. I can share my report with you if you would like. It will be all entirely excellent reviews of Geneva Concerts' dealings with your group! Once again, thank you. It was a wonderful opening concert.
